

## **Turtle Shadow Puppets**

### **1. Brainstorm**

Brainstorm ideas for your puppet show.

Use the puppets to, for example:

- Tell the life cycle story of freshwater/marine turtle
- Show the hazards of finding a suitable nesting site
- Demonstrate the challenges faced by hatchlings

### **2. Theme**

Decide specific theme for your puppet show (e.g. life cycle of oblong turtle).

Write a script related to your theme for your puppet show.

### **3. Make Puppets**

Create turtle shadow puppets by going to:

<http://www.csiro.au/helix/sciencemail/activities/ShadowPuppets.html>

Prepare stage area.

### **4. Performance**

Perform puppet show to your class/group.

Celebrate achievement!
